“ Our sweet Papa Dude, you are so loved and missed dearly. I will never forget your embrace every time I saw you. I will never forget your voice and how comforting and light it was. I will never forget your sense of humor and how much joy it brought to anyone around you. I will never forget you always sharing a fun new gadget with all of the grandkids and how your face would light up showing it off to all of us. Whether it was a new car you had been working on, a gun, a remote control car, a fishing pool. I will never forget the amount of love you had for me no matter the distance and never missing a single birthday. I love you with all of my heart and may you Rest In Peace.

“ He was a great classmate and former brother in law. Will always remember his laughter. Didn't know Mark was gone to. May the rest in peace.

“ I have lost My Father, My Daddy, My Papa Dude, my best friend. Daddy has always been there for me no matter what I needed. He always gave me the best advice to get through anything. He was very giving even when he didn't have anything to give. He was smart, handsome, and very very funny! His smile and laugh was contagious! His hugs and kisses were the best. He always smelled so good. I will miss his scent and his hugs and his kisses. I will miss hearing him say "hey momma" or "hey dude". I will miss his texts that always said at the end "Love ya bunches, Papa". I will miss his frustration when he was trying to figure out whatever he was working on that just wouldn't go as he wanted but he always figured it out. The cursing was hilarious! Haha "wha wha what the Hell!" My Brother and I and have tons of great memories of our Daddy and will hold those in our hearts. Our children loved Papa Dude so much and he loved us all. I will miss you forever Papa. Love you, Holli Lynn

“ Sending love and prayers! I hate to here this. I have a lot of young childhood memories of him and Dad working and cursing in the Garage.

“ I have to many great memories of my father to even begin to put them in words. I can say that you will be forever in my heart and thoughts. You are already severely missed. I am proud to call you my father. Love always, your son.

“ Love is mysterious. I am so proud of the children Marvin and I brought into the world. He loved his girls, but he was proud when his son was born. What a pair, like twins. The love he gave them was equal and unconditional. What a Dad. We never quit loving each other and discussed issues. He was always there for me for the children. I will miss our talks, his birthdays wishes and his love for me. Dad, was an awesome man. I know you are in a peaceful space. Yes, I remember your guitar and playing, “Little Green Apples”. Yes, I sang as you requested. No, I don’t know if I will ever get over the times you would scare the crap out of me! Like the time you were the werewolf at the Millville Haunted House. And there were a lot of pranks:). The children are true Hilbert’s. I just took life too serious. You are missed. Thank you for loving me so much.

“ Oh how I miss my little brother. There isn't enough paper, words nor time to convey the memories and love we shared. Till we meet again. Sis
