“ I have many fond memories of Tyke (as he was called as a young boy and later reminded me when we both attended one of our 1948 Hagerstown Class Reunions, please never to call him that again!!!) He and I were neighbors and boyhood friends and lived about a mile apart. I used to work with him on the Mahoney farm when his Dad hired me during many summers. We had many interesting adventures together and his passing brought back many wonderful memories of the times we spent together. My thoughts and prayers are with the family.

“ Love, Nate, Timeeka, Mikalea, Amelia & Schuy purchased the Medium Dish Garden for the family of Myron E. Mahoney.

“ Uncle Myron, we will miss him. I remember hear my grandmother, his mother, tell about how sick he was as a small child. He had pneumonia so bad that his heart was pushed to the side as I remember the story. His mother prayed, and God gave him a long, full life. He always wanted things done right. As a young boy, he was very particular about wanting the creases ironed in his pants just so. As he grew older, he was very astute in business and earned success. His mother asked him how he got Shirley to be his girlfriend and wife, and he replied, I asked her. He knew how to get what he wanted. This past New Year's Eve, we went to the west coast of Florida to visit him. He was faithfully caring for Aunt Shirley. He was faithful and meticulous in all of life to do what he believed was right. We will miss him and his example.

“ I enjoyed every minute I had the privilege of spending with him. Many terrific, wise and grounded conversations over the years. One of my fondest memories was when he started up his vintage, immaculately maintained riding lawnmower. His eyes twinkled with pride as he showed off the pride he had in his continued care of a simple machine. I would like to think the true character of a person is shown by small details like that. He really loved his family, and especially Katherine Mahoney, his wonderful granddaughter.
