“ Scotty has been our neighbor for several years. I will never forget the chats we would have from time to time. He was a quiet neighbor, but one we always knew would be there if we needed help. He was a good person. We will miss him as our neighbor, and as our friend. Taken from this world, but forever in our hearts.,

“ What a wonderful lady. I will always remember helping her pick up sticks and then going to the Kettle for dinner. She had so many stories to tell. She will be missed.,

“ Although we had never really been introduced to "Scotty", we felt like we knew him. He would drive past our farm everyday and would always wave. We will miss seeing his red truck drive down the road as he headed to the truck stop or as he headed back home from his daily visits there. Our thoughts are with his family.....
