“OMG! I could not be more mortified to find out my favorite teacher, Ms. Baer has died. I was a student at Warren Township High School, graduating in 1995. Ms. Baer was very influential in me pursuing a career in Mathematics. While I went to college to major in Mathematics (per Ms. Baer's recommendation), I graduated with a BS in Manufacturing Engineering instead. Had I not had Ms. Baer as my teacher in high school I don't know that I would have continued in advance mathematics into engineering. I've have so many great memories of Ms. Baer, in class as well as out. I send my many sympathies to the Baer family!

RIP Ms. Baer! Thank you for being THAT teacher for me!
