“ I will always think of how you made me laugh, your great joy shared in our group, one month ago you found eternal life. Seems like yesterday I was cutting carrots for your juice. “ As I was unable to attend the funeral or memorial services, I just wanted to salute a "life well lived". On behalf of all the Garvins who knew Homer, I would like to express our appreciation for a man of character and dignity. in my mind, Homer will forever be an icon and example of where a steady and thoughtful approach to life can take you. I know that I will never attain his attention to detail but I will always know it is possible. We who knew him will always remember him because his life was not a flash in the pan but a steady, sure light. To his survivors, I know he will be missed by you and I offer my condolence. This is a very tough time of year to lose a loved one. Our thoughts and prayers are with you during this holiday season. I am proud to have known Homer as a friend and a neighbor.
