“ So sorry to hear of the lost of one of my Father and Mother's best friends! As a child we spent many nights visiting and I remember Beulah Mae's sweet soft giggle and smile. We always had popcorn and she put many many puzzles together. We all played many different games and spent long evenings together. Such a sweet family...so sorry for your loss Danny and all your family members:(please know Mom would like to honor her and us also) take good care🥺
