

Camellia Pflum

May 7, 1955 - November 4, 2023

Camellia Pflum, 68, of Richmond, IN, spread her wings to heaven on November 4, 2023, after a 2-month battle with metastatic cancer. She leaves a huge hole in the hearts of her friends and family who were always entertained by her stories and sense of humor. She truly brought the life to the party.

When you met Camellia (Cam or Camille to many), you saw her strength, determination, and commitment. Those who really knew her also saw her love, compassion, and generosity. She was certainly a winner. She is remembered for her generous hospitality, quick wit, adventurous spirit, and ability to whip up a gourmet-style dinner with whatever food she had in the kitchen.

“She lived strong!”

Camille was born on May 7, 1955, to Charles and Betty Goodpaster and graduated from Union High School in Modoc, where she made many life-long friends. Camille was a cheerleader in high school and remained one throughout her successful career in marketing and management in the radio industry. She cheered non-stop for her clients and her radio stations for the win. She was a standout. Camille’s dedication was recognized as she rose through the ranks and lifted others as she led teams in Indiana, Georgia, Florida, and Tennessee.

“She achieved much!”

If there was one thing Camille was, that was determined... No matter what the

challenge or request, she gave her all to ensure she exceeded all expectations, whether for herself or for others.

Camille was a dedicated and loving mother, sister, aunt, and a best friend to all walks of life. She enjoyed traveling, tending to her patio flowers and took joy in redecorating her home for each change of season and holidays.

Camille was a determined force to be reckoned with, an unrelenting advocate for being who you are and doing what you want. She was funny, loud, intelligent, and elegant. There is so much more that should be said, but in the end, what she did was make our world brighter.

“She loved fiercely!”

Camille is survived by her kindred spirit, Bart Pflum, niece Kayla Binford, nephew Izzy Burger, and sister-from-another-mother, Amy Dillon.

Camille was strong in her faith in God and is now at peace, joining her parents, her son Michael Brooks, sister Cynthia Barber, and brothers, Mark Goodpaster, Tyrone Goodpaster, and Tsakania Goodpaster. That is one fun party re-united!

Per her wishes, there will be no public service. Camille will be laid to rest privately beside her son in Losantville. Rather than flowers, please consider a donation in honor of Camille’s son, Michael Brooks, to Lost Voices of Fentanyl, <https://lvof.org/> or to an organization close to your heart.

“You ran the race set out before you. You are now resting in the arms of our loving Father. You finished well.”
