“ *I will miss you dearly Carl. I can see all of you right now having a ball. Hats crooked, teeth out, putting rabbit ears up behind each others heads. May you enjoy your new life and will see you again. Love, Sandee*

“ *I worked with Carl at Dana/Eaton in Auburn. He was a hard worker and would help other workers any way he could. He was quick, physically and mentally, and had no enemies. I remember when he bought that new Dodge Ram truck back about 20 years ago, he loved that new truck. I am sorry he has left so soon. My sincere sympathies to Roger, who I also worked with, and to the entire family.*
