

## Carol L. Bullock

April 8, 1960 - June 29, 2021

Carol Lynn Bullock, age 61, of Hagerstown, was received into God's care, peacefully, on Tuesday, June 29, 2021, at St. Vincent's in Anderson, surrounded by her loving family.

Born April 8, 1960 to Lynn and Donna Swoveland, she was the youngest of five siblings: Donald Swoveland, Linda Patterson, Nancy Smith, and Kathy Denny. Being the youngest of the family, many say she was the spoiled child of the group. But, most importantly, her family, especially her father Lynn, instilled in Carol a sense of selfless service to all people.

Carol is most recognized for the eighteen years she dedicated to the Church Women United Thrift Shop of Hagerstown, where her many long hours of unloading, sorting, cleaning, and displaying of merchandise contributed to the greatest sales in the shop's history, which led to tens of thousands of dollars being distributed to local high school seniors as part of the scholarship program offered annually by the CWU. After her retirement from the Thrift Shop, she still had a passion to serve her community, and so took it upon herself to establish Carol's Toy Store on Main Street, where she refurbished toys of all shapes, sizes, and ages, that brought tremendous joy to all the children, both young and old, that frequented the store. It was Carol's commitment to ensure that each toy that left the store was clean, in good working order and free from missing parts. That brought the greatest smile to

her face.

In the later years of her life, Carol battled with breast cancer, which she became a survivor of in 2017, and most recently with end-stage liver failure. Yet through all of the pain and suffering of this late stage of her life, she never lost the love for her family and friends and most importantly her Lord and Savior Jesus Christ. Her attitude and positive outlook on life allowed her to minister to so many people in such a special way that her life on this earth was a blessing to each and every person she encountered. Her love and compassion for all those she came into contact is a lasting legacy that will not soon be forgotten.

Carol will be deeply missed by her husband, Robert Bullock; son, Allan Bullock & wife, Suzanne; granddaughter Emmalee; brother Donald Swoveland (Sharon); sisters Linda Patterson (Larry), Nancy Smith, and Kathy Denny (Roy).

She was preceded in death by her parents Lynn and Donna Swoveland.

Visitation will be Monday, July 5, 2021, from 4:00 p.m. to 7:00 p.m. at Culberson Funeral Home, Hagerstown. Graveside services will be at 11:00 AM on Tuesday at Brick Cemetery. Rev. Robert Fannin will officiate.

Memorials may be made to Susan G. Koman Foundation.

“ *My heart goes out to all of Carol's family and her many friends at this sad time. Carol was such a caring person, always willing to help anyone in need. She donated many items to Zion's 25 cent sale at Christmas time so kids could buy gifts for their family for only a quarter each. Carol was certainly a force for good in the Nettle Creek community.*

“ *My memories of course was how close and loving you were to all the family, and those of us who were friends. Love seems to be so easy for you and my dear daughter in law, Kathy. There is an empty place now in all our hearts, but knowing we will be together again when it is our time, makes it easier 🙏❤️*

“ My first memories of Carol are when we shared our interest in refunding and using coupons. Carol was a master at refunding and taught me a lot. One time we went to Anderson to some convention. I have no idea how many years ago that might have been. Then when I got involved with the Thrift Shop as the treasurer and later as a volunteer Carol and I spent many hours together. She certainly had a knack for remembering toys and knowing what was missing and what was needed. I was saddened to see she lost her battle. Her love of family was so important to her. Sorry to hear of her passing.

“ I always enjoyed talking to you and your mom while visiting Swoveland Emporium. You always had music by Elton John playing in the background which would spark a conversation on how much we both loved his music. Thank you for the wonderful memories you have left us in this lifetime. If Elton was to dedicate a tune for you it would have to be "Candle In The Wind". God Bless Carol! RIP

“ Bob, Allan, and Swoveland siblings,  
I was so sad to hear of Carol's passing. Carol was always so kind to her family. She always checked on Grandma & Grandpa Lamb in their later years or caring for her mom. She and Kathy brought Aunt Donna to my dad's memorial service, which was the last time I saw her. She was always a very selfless person.  
Please accept my sincere condolences on behalf of my family.

“ *Cousin Carol always seemed to be able to come up with the "bright side" of a situation. I remember her laugh. I remember all of the crafty things I learned from her and Kathy when we'd stay over at their house. So sad to lose this bright spirit from our lives, but also happy she's no longer suffering.*

“ Bobby, Alan so sad to hear this. Carol goes back to some early memories when she would come visit her Grandmother. Mrs. Lamb. I lived in the double next to it. It was always good to have kids to play with as most of that block was older folks. Alan, always enjoyed seeing you come into my place. Bobby, I've known you since first grade. Anything I can do to help, since I know all to well how hard this is.
