*My thoughts and prayers are coming your way during this time of loss. Cecelia was our very first neighbor after we were married. I have many fond memories of her and you children. I remember walking with her to pick up Teresa from kindergarten and fun times watching you girls play in the back yard. You girls quickly named our dog "Barkie" which is self explanatory. Your mom and I had many sweet conversations, and I learned a lot about mothering from her. I will always have special memories of your mom. ❤️*
