“ I will always miss you Granpa. you will be in my heart always. All the memories I have as a kid and all the great hugs you gave I will hold close to my heart. There are no words to express the sorrow I feel now that you are gone. The only comfort i have is knowing now you are no longer in pain and you are sleeping with the angels. It is our turn to feel the pain of missing you. I love you Granpa Always.

“ I return to this precious tribute of someone so great... We have just passed the two year anniversary of the day we set you free upon heavens gates... Some say with time that a loss this great would ease in pain and the pain is still so new and my heart hurts in disbelief that you are gone. I miss you so much and grandma misses you terribly, her love for you still shines thru like the brightest star in the sky. I ask that you pray for us papaw and give our family the healing it needs to cope with your absence.... never forgotten and always in our thoughts..... you are so truly loved and dearly missed... amy, abigale, & lucas,

“ To god's newest angel~ There are so many memories to choose from of you papaw. The times you made each and every one of us laugh are endless. I will never understand why god takes the ones we love but I do know he has a special pair of wings waiting for you. Raise your head up and walk thru the gates of heaven so proud as you always stood proud in front of us. My heart will continue to feel empty until we reunite again in the heavens above. I love you so much and forever and no doubt will I miss you each and every day. So many are left behind without the great man that you were and still are today. The tears are falling endlessly, I pray your journey is complete, help guide us to that same light when our time due. May your sould rest peacefully papaw. ps... you will be one of gods greatest angels ,

“ I am blessed to have had the opportunity to know Cheri. I never saw her when she wasn't smiling and telling me a funny story about Deb and or her family. Her family was most important to her... a quality I truly admire. I am pleased to see here in her tribute that her infectious smile has been passed to her beautiful grandchildren. Consequently, the spirit of Cheri will live on. My thoughts and prayers are with Scott (and children) and Brian and the entire family and friends as you say goodbye to Cheri. Tina Roberts,
