“ *To Cheryl Oakes Family,*

*You don't know me, but I will never forget Cheryl. She provided health care services to my father in his home on Cambridge City. He passed many years ago, but I will never forget her kind manner and always a smile on her face. She cooked "special" foods for him, and always found time to talk to him. She improved the quality of his life and I never worried about him while he was in her care. I am so sorry for your loss. Such a special person!!!* Alice Collins
