“ We were so shocked to hear the news about Doris. I just talked with you Monday night about issues concerning my mother-in-law. Things seemed fine. Your family had been there on the weekend to get Doris's new apartment all situated. I think God brought you and Martin there together (you said you usually visited separately & bi-weekly), as a quiet way to say goodbye. God does work in strange ways. The Video Tribute to Doris was a warm, happy look into Doris's life. We are thinking about you with heavy hearts. Our thoughts and prayers go out to you, Jennifer and Rachel. Deepest sympathy also to Irma and Martin, Rebecca, Alex, Doris's sister's, Alice, Irene and Aurie as well as extended family and friends who shared Doris's life and happy memories. God Bless... ,

“ To The Family I am so sorry for your loss, I remember when Louella used to come to our house on Northwest "J" Street in Richmond. May GOD be with you in your time of need.,
