“ *The greatest times of my life were spending time at the Lawson place. Had many fun times in Horse and Pony Club with Joann as leader. Being best friend with Steve, spent a lot of time at their house.*

I've always said she was like a second Mom to me. My biggest impression of her was how she stood strong in her faith through all her losses.

I'm thinking of and praying for you all.

Especially Steve, Kathy and John.
