“ Sending my prayers to Trent and his family during their time of loss. I will never forget the surprise when my grandpa told me who we would be cutting wood with. I'm guessing you were just as surprised when I showed up.

“ So sorry for your loss. Mr. Inman encouraged me to run said I'd be really good at it. He was right when we made it to state. A great man he really cared about his kids.

“ Gracie ,so sorry to read about the passing of Doyne, as you probably know I grew up in the house behind him. In the summer we would play marbles in the alley between our houses, so long ago but the memories of no knuckles down and no lags ,no Steele's steel marbles allowed ,the rules of the game often took longer than the game itself will live with me forever. They were wonderful days spent with a good friend. We will all miss and remember a kind person who added to our lives. I had the privilege of knowing Doyne over 70 years.

Goodby old friend,

“ I grew up with Doyne Inman. Doyne was always a kind and decent man.

He was a great athlete in high school and well respected by his classmates.

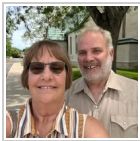

Doyne you will be missed even though we did not see each other on a regular basis.

I am proud to call you a friend and to have shared my youth with you. Doyne you will be missed but it will be with a smile of good memories.

Your friend always

“ Mr. Inman, Jumpeth 1, 2, 3, 4! The best elementary gym teacher anyone could have asked for! Always loved the 45-50 minute block of time once a week with you in the gymnasium, stealing the bacon being my favorite! You were a great teacher, role model, and coach! Some of my fondest elementary memories involved your smile and humor. You will be missed by many and sending love and prayers to Mrs. Inman and the rest of the family.

“ So sorry to hear this. Many years ago my family lived a couple of houses from the Inman's. Doyne had a deer in his garage and went in his home. While gone our dog went into their garage and stole a rear leg from the deer. I found the dog and the leg in our backyard. I had to carry the leg back to the Inman's garage to apologize for the dog. Doyne just sat there and laughed. What a good man.
