“ This is a tribute to Durlin who although my cousin was for most of my youth more like a really fun uncle. I have so many fond & rich memories of him. Both Sally & I feel really blessed to have been able to spend some time with Durlin in recent years, starting in 2002 when we were in Hagerstown visiting high school friends. Somewhere along in there Durlin expressed interest to me to keep the lines of communication up and indeed we did during these years. We had some really good discussions in person and by Email, re-bonding & re-living old times but also being in the present at our current ages. Durlin was a very special person in my life and will remain in my heart forever. It seems much, much too early for him to go. When we talked last year he still had a dream to visit us in California after he retired. That would have been so great! The last time Sally & I saw him was when he came up to Findlay last October where I was recuperating from my atrial fibrillation ablation done at Cleveland Clinic. Durlin generously supported me in training for & running the San Diego Rock n Roll Marathon in June as contributor to the Leukemia & Lymphoma Society via Team in Training. Goodbye my dear friend & cousin. We look forward to seeing you in heaven someday and hanging out with you again. Soli Gloria Deo.,

“ To Durlin's Family, I was saddened to hear of your loss. I had the pleasure of working with Durlin at Grandview Pharmacy in Connersville a few years back. Durlin was a great man with an awesome sense of humor. He had a strong work ethic and spoke about his family often. He always had a way of keeping a boring day of work more bearable with his laughs and practice jokes. He will be missed! ,

“ I never knew Pollyanna but I just came for her estate sale. Thru this and this site it is evident Pollyana was a Beatiful Special Person I wish I had known. I feel honored to possess and pass on some of her Treasures. I now Wish I had purchased some of her art. Even though tho they are merely material things I hope thru these treasures in some way Pollyana you will live on. The gift of some of your treasures have already brought joy to my mother. Thank You for that Pollyana. I felt a specialness in your home. May You Rest In Peace Pollyanna. Kay Joiner.,

“ I always thought Pollyanna Ammerman was a pretty name. I don't remember her but through the pictures of the Kitchel Renunion at Bill Kitchel's east of Boston around 1947. I was always fascinated that I had the same name as Donna Jean, a very pretty "older" cousin and the fact that Jerry Kitchel played basketball against the Kitchel Cowboys. Grandma Lula made the best pies and Robert was the corn husking champion. My sister, Marlene, passed away last September and I don't think any Kitchels are in Union County now. Larry and I send condolences to your family as you celebrate her life and remember the memories of your mother.,
