“ *My Aunt Pauline holds a very special place in my heart. She was such a calm and quiet influence in my life. I remember spending the night with her when I was a child and she made me feel special. After I moved away, I did not get to spend the time I should have with her or the rest of my family. She will be missed.*

“ *Pauline was such a great friend and mentor to her friends at Knollenbergs. We were all sorry when we could no longer contact her after her move. We thought of her often and even tried contacting everyone in the phone book by the name of Farmer. We missed her. She will always be remembered in the hearts of all her friends from Knollenbergs.*
