“ To Rosemary, Heidi, Nancy, Kathy, Tony and the rest of the extended Blackburn family, My heart goes out to you all. I've always thought the world of your family and I've always kinda thought of your dad as mine, as they were a lot alike in so many ways. (And I spent so much time at your house playing with Heidi when I was young!) I know you must be feeling somewhat lost now, as the absence of such a strong character in your life would be impossible not to miss. But take comfort in his memories and know that he is truly in a better place and sometimes, when you really need his advice on something, he will speak to you. I know my dad still speaks to me even after almost 14 years. Take care of yourselves and each other. Love, Donna (Bolin) Wysong ,
