“ On behalf of my departed parents, Keith and Louise Reed, and all of our family I want to express our sincere condolences to Brad and all of Elaine's family. I grew up across the street from Dean and Elaine. She was the nicest neighbor and Dean was one of my Dad's best friends.,

“ My condolences to Brad, John and their families. Elaine took care of everyone from the state trooper who lived up the street by always having a fresh pot of coffee on to helping others with musical issues. She spent time donating by sorting out clothes at the church clothing closet. She made the best grape and nut salad. I was happy to be part of her family for over a decade. I wasn't told she had passed away but I know she is in heaven with her saviour. God Bless and thank you for all the happy memories. Love Always, Donna, Eleanor, and Wyatt Rinehart,
