“ Wanted to tell you how much I love and miss you Grandpa. Your Memory will live on with me till my time comes to come and be with you and Grandma again. Ill always charish the happy times and the sad times that we shared throughout the years. Thank you from the bottom of my heart for all that youve done for me. The term Grandfather has two meanings to me, you were my Grandpa and my father all rolled into one big hearted man. You will never be forgotton Grandpa. I LOVE YOU! Will you give Grandma one big hug and a kiss from me and tell her that I miss her so much and I think of her everyday. And please tell U. Donnie, Dad, U Carl, Mike, Becky, Grandma Matti and everyone else that I couldnt think of, that I said I Miss and love them all. Sincerely, Your Scotty I LOVE YOU!,

“ This goes to the greatest man I ever knew. Grandpa, you are so missed down here. I know that you are very happy now, and pain free and warm. I was very upset when Scott called and told me that you went home, then I talked to Aunt Judy and we laughed and cried for a while, and she told me that you went very peacefully, which made me feel so much better, I know how much you have suffered these past few years, and how much you have missed Grandma, now you are pain free and with Grandma. I guess you are getting a lot of rest now, you always would tell me you can rest when you die lol (that means laughing out loud) Do they have ponds in heaven? Give Grandma a big hug for me. I love and miss you both soooooooooo much. We will be together again. Not real soon, I still have a lot to do down here before I can rest. Love your not particularly favorite granddaughter, Sis,
