“*Dearest Family; Errol was a dear cousin and will be deeply grieved. Many fond memories of our time together go as far back as our toddler years and which then evolved into our developing childhood adventures. Included in these memories is our numerous family get togethers at our Grandmother Pearl Brant’s home. Chicken’n’dumplings, and lots of laughter and music. I once read that “those we love don’t go away, they walk beside us every day.” May Marlene and family be comforted and encouraged in their hearts and minds with all of their precious memories of their lives together. Marlene and Errol made beautiful music here together and that music will continue to play on in the hearts of all of their loved ones. May our Lord’s great peace strengthen your hearts at this time. My heartfelt sympathy, Doris Jean Martin*
