“ To my wonderful sister: I will miss you dearly. I wish we could have more time together and not have let time slip by. We were both so busy with our lives we always thought we would have more time together. I know some day I will see you again and I know that you will watch over all of us that you left behind. I find comfort in knowing that you are in a better place and there is no more pain for you. I love you Polly. Your sister Laura (squirt),

“ To Cameron I am soo deeply sorry for your loss. Polly was such a fun good natured person. I loved that we got to re-connect again when Polly was going to Weight Watchers. Now her and mom will have time to hang out. My prayers and thoughts are with you during this time of hardship. Love Ya - Mandy,

“ Polly was a great friend. I have wonderful fun memories of times spent together. Even in hard time she was always positive and fun to be with. I miss her very much. We will have a wonderful reunion one day. I appreciate how her family included Bennie and I at the funeral dinner. It was so special to spend the time with all of you. much love, Julie Neal (Scruggs),

“ I graduated with Polly but hadn't seen her since Misti was a baby. I can see from the video that she never lost her smile--that is how I will always remember her. I pray that all of your happy memories of her will help you get through each day. I am so sorry that she had such a short time with her precious grandchildren--you are all in my thoughts and prayers. Sincerely, Susan Revalee Calnan,

“ I am going to miss you so much. I was looking forward to shopping again at the fabric stores-what fun we did have. The memories just keep pouring in of all the fun times we had together and all the laughs we shared. I love you so much and you will always remain in my heart as "my favorite daughter". Remember the sweatshirt. I can see you having the time of your life in heaven and as usual helping everyone up there. I am thankful you are not hurting anymore. Rest In Peace Sweetheart. MOM,

DS

“ Cameron and Paula's family, We was so sad to read of Paula's passing, we just now found out about it and was deeply sorry that we missed her calling so that we could pay our respects to you and to her family. I graduated with Paula in 1973, and Cameron , you're my cousin, so this hit close to home for me and for Craig as well. I will remember Paula as she was in high school, always a smile on her face, as I am sure she has one now. Cameron... Craig and my thoughts and prayers are with you on losing Paula. Craig and Debby Strickler ( Debby Wilson ),
