“ Pam, I was so sorry to hear about your father's passing. The loss of a parent is difficult and I wanted you to know I was thinking of you. I was touched by the video tribute. I am not sure if the little girl was yours, but I was struck how much she looked like you. Please know I am thinking of you during these difficult days. Pam Kirk( Wiwi),

“ Frances was a very special person, and will always have a place in my heart. Thanks for sharing her with us. I was lucky to have been there to share her last days at least at night, and it was always great to see that smile that lit up the room. You have a great family and it was a pleasure to get to know each of you. Take care of each other and know that Frances is in a better place with no pain or suffering. ( I bet she is doing alot of dancing with Elvis),

“ Dear Beth, Pam, Mark and Girls...How sad we were to open the Blade and see that your father has passed away. This past week he has been on my mind, and shame on me for not picking up the phone and calling him. Our phone calls to each other are typical of Miley's porch converstations, I would call him the "Republican" and he would howl. What a great and truly insperational man.. He is with your mother now and they are happy once again. We are both so sorry.. With Sympathy....Jim and Gayle Sass,
