“ One memory..... that's not possible. Fran is and will always be an iconic "Tiger Booster" kind of fan that many of us heard praise us in the stands or remind us we could do better. I seen her attend all types of school related events over the years. She always had a good word for me any time we crossed paths. As much as you enjoyed her kindness and support..... we also knew that she would put us in check if we were out of line. I witnessed her lining up a parent who was a bit harsh with his kid. She didn't play that. Did she have opinions? Why sure she did and if asked she would give them. Be careful what you asked for because she was honest and didn't sugar coat anything. I respected that about her and greatly appreciated it in a world of go along to get along. She was a true individual in every good way possible. I don't have the ability to count the number of unsolicited hugs when she knew what a mom just knows..... perfect timing. If I can be half the person she was.... I will be a success. God Speed Fran. We will always love you.
