“ I share your grief Nancy. You know how close Fred and I were ever since I met him on his doorstep back in 1994. We became close and talked frequently over my career. Fred was always such a great help to me. He showed real concern for me and my career and was one of the greatest sources of encouragement that I had in my 26 year career. I will always miss him and Peggy and will think of them as the parents I never had. What a great man you had for a father. You are in my prayers.
All the Best,

“ There are not enough words to express what Fred brought to our world.

Fred and I taught together at Connersville Junior High. He was a mentor for me. He loved what he did, teaching...Had one infectious laugh . He was there for you if you needed him.. Had not seen Fred for a long time, but his photo brought all the memories back. Rest in Peace Fred... You were so loved...
