“ I wish I could remember jokes the way Dad could. Every time we talked, he would wait (with difficulty) for the opportunity to work in his latest groaner. For the others who love him and miss him so terribly now, maybe this will bring a smile (or groan) in keeping with what Dad would have wanted. Do you know how to catch a polar bear? Well, you go to Alaska and cut a hole in the ice just outside the bear's den. Then you carefully line the hole with peas. Then, when the polar bear comes out to take a pea you kick him in the ice hole. Love you Dad. Hope you're smiling. Doreen,
