“ My condolences to the Pegg family. One of my first jobs was working for Gordon. I remember Gordon coming to pick me up to bale one time and our Doberman chasing him back to his truck. He never got out after that. Lol.

Yes Gorden was my sister and I bus driver to also and our children. The first time I work for Gorden was bailing hay. He told us to be at the old has station in greens fork. When we got there Russell said if any of you boys can do this you have a job . Gorden went to the back of the wagon and pick it up and move it a couple of feet . We all just looked at each other . Never forget it. Sue so sorry for your lost these last years. George Andis.

“ *Sue, David, Dan, and the rest of the Pegg family. Dot and I were sorry to hear of Gordon's passing. I feel like I have known him for my entire adult life. We always had something to talk about whether it was farming, bus driving, or the latest TV show we were both watching. Although Dot has not known him as long she always enjoyed seeing him. He will be missed. You all will be in our prayers.*
