“ Carolyn and Wayne and family members, We were deeply saddened to hear of your loss and wanted to express our sympathy. Bob is still working and and as you may know, his job requires travel so he misses out on events he'd like to attend. Hope this note provides some comfort in knowing that our thoughts are with you all the same. God bless you all. Bob and Beulah Conyers,

“ Aunt Mauva, Butch and family, It broke my heart to hear about Harold. He was always so kind and fun to be around. I have many fond memories of him down thru the years. I know you will miss him greatly. My thoughts and prayers will be with you. I'm sorry I cannot make the services. I am in Albany without my own car. Just know that I am with you in spirit. The video tribute was wonderful. I cried all the way thru it. It brought back so many memories of when we were kids and life was simple. Aunt Mauva, I will call you in a few days. Until then. love to all. Karin Goodman,

“ Carolyn and Nancy, So sorry to hear about your mother. I truly know this is hard for you both. I enjoyed visiting with your mom while she was at Parker. As you know it had been along time. It was nice to reminisce about the past when we were kids and our families got together. You both will be in my thoughts during this time. Alice Faye (Turley) Crouch,
