“ I have many fond memories of Harriet she has always been know as mine and my sisters adopted grandma. She was my headstart teacher and my moms friend and co-worker for years. She was a sweet lady. I asked her what i was to call her and she said that she was adopting me and Misty as her granddaughters. She always got us Christmas ornaments every year for Christmas when we were kids those were my favorites we always opened them on Christmas Eve, i still put them on the tree and always thinknof her. She has touched many lives over the years. She will be greatly miss by co-worker and friend Sallie Caldwell and by her adopted grandaughters Frances Yoder and Misty Archer. Rest in peace we love you

“ *Harriet made me feel loved and cared for time and again while growing up in our church. She always let me know I was prayed for and thought of. Having known Harriet and Bob was a blessing in my life and I'm sure her kindness continues touching others down the road through the love she taught. Your family is in my prayers.*
