“ Pam, I was so sorry to hear about your father's passing. The loss of a parent is difficult and I wanted you to know I was thinking of you. I was touched by the video tribute. I am not sure if the little girl was yours, but I was struck how much she looked like you. Please know I am thinking of you during these difficult days. Pam Kirk(Wivi),

“ Dear Beth, Pam, Mark and Girls...How sad we were to open the Blade and see that your father has passed away. This past week he has been on my mind, and shame on me for not picking up the phone and calling him. Our phone calls to each other are typical of Miley's porch conversations, I would call him the "Republican" and he would howl. What a great and truly inspirational man.. He is with your mother now and they are happy once again. We are both so sorry.. With Sympathy....Jim and Gayle Sass,

“ Ruby was my neighbor for many years, and I couldn't have asked for a better one. Her and John watched my two daughters, Charlotte and Christina grow up from "across the alley" and we all have fond memories of them both. She was a kind lady and always had a smile. My condolences to Jimmie and her family, I am sure she will be missed beyond measure.,
