“ I used to love going to my grandparents house, Grandma and Grandpa Sitzlar for so many reasons but Hilda was always who i would look for. I remember being so excited when I would see her come outside to the garden so i could run over to hug her and she would always have stories to tell. I remember loving to talk to her as she is probably the first person i remember ever having a German accent. Something about her voice was always so calming. I know ahe and grandma are in heaven now sipping tea and talking all about the apple trees and gardens.
My prayers are with you all.

“ Carl, Linda, Allison, & Inge....so sad to hear of Hilda's passing.....she was always so sweet to talk with and was a wonderful neighbor to my parents Herb & Frances Sitzlar! Even before she became their neighbor she was a sweet friend to them and our family. I have a couple of doilies, angels and a 'welcome' plaque she crocheted for me that I have and always will cherish.....she was an angel here on earth and one of God's best. our sympathies, prayers and hugs to all of you and to her friends...with sincerity and love, Connie and Mike Cunningham

“ I have fond memories of Hilda and so happy that I had the opportunity to know her. She and my mother, Kathryn, were friends for many years. I am sad to hear of her passing and will honor her with a local donation. She was a lovely lady.

As I wrote on the other site, I have sweet memories of Hilda. Neighbor for years, my mom's friend. I guard the crocheted lace welcome piece she made, two crocheted bears for our Christmas tree and a little doll she made for Taylor. Patty (Davis) Roth
