“ *Iva Lou was a mother to me and my wife, Karen, and a grandmother to our children. She and Earl opened their home and hearts to us. They have always been family to us, even though the miles and responsibilities made it difficult for us to stay close. She will be sorely missed by us.*

“ *Iva Lou is an amazing lady, I say is because I know she is just as amazing in heaven. For many, many years we got our hair done at the same time & she always had a smile on her face & took the time to talk. She will be missed by us on earth, but heaven gained a great angel.*
