“ I wanted Jackie's family to know how sorry I am to hear of her passing. I don't know if her children remember me, they were very young, but we were neighbors when you lived on Clyde Oler Road years ago. I also had your father as a coach and a teacher when I was in school so I have known your family for sixty years or longer. I remember her as being a very kind person. Again, I am sorry for your loss. Mark Schlegel
