“ We bought a lot of cabinets from Jim years ago. Always enjoyed working with "the laughing cupboard salesman." He always kept a smile and a great attitude no matter what life handed him.

“ The memories of Jim I will always have are the miles and miles we shared running the fields, track and gym at good old Union High School. As classmates and friends I will cherish the memory of this gentle good humored man. Jim was not the fastest or the best at basketball but no one worked harder to improve and be the best he could be. Jim my good friend I will miss your humor and your friendship. Monty Blackburn
