“ *Jeffe and I met about 25 years ago when he started working at American Freight and then Fedex here in Dayton. Through the many years of he and I doing business we developed a friendship. We had many conversations and cups of coffee over the years, we spoke many times each week. Everytime I go past the Fedex facility or see a Fedex piece of a equipment I will think of the many times we spoke and shared life experiences. He will be missed. “ *Sorry for your families loss. Jeffe was good person, I'm the assistant service manager at Kenworth of Dayton and many dealings with Jeffe. I have the upmost respect for him. And I will truly miss him giving me a hard time on getting his Fed Ex units repaired in timely manner or on how much we were charging for the repairs. He will be truly missed. Take care, and your family are in my prayers.*

“ *I am the Cintas uniform delivery guy. I met Jeffe just 3 years ago. I didn't think he liked me at first. He turned into being one of my most favorite customers. I remember FedEx had Thanksgiving dinner for all the guys. I walk in and Jeffe was so kind. Told me to have a bite to eat. He said “you work here to”. He always spoke of his grandchildren. My deepest condolences to his family. He was such a hard working family man. It was a pleasure to know him.*
