

## Jennifer K. Johnson

February 28, 1971 - November 19, 2021

Jennifer Kay Johnson left us for heaven, suddenly and unexpectedly, on Friday, November 19, 2021.

Jenny was born on February 28, 1971 to Elzy (since passed) and Greta Sue Johnson. Raised on a small farm outside of Modoc, she was the youngest child of five. Her siblings include: Lee Ann, Lisa, Mike, and Scott. She attended Modoc United Methodist Church, where she never missed summer Bible School. She graduated from Union High School in 1989, completing dental assisting school shortly thereafter.

She loved vacationing in Montana (to see her uncle, Leland, whom she adored) and swimming at Tall Trees Campground with her friends Linda and Kari.

In 1990, she left Modoc to reside in Pennsylvania, where she married Jeffrey Luttrell (since passed), then in 2002, she married Joey Gibson, with whom she shared much happiness. Later, in 2009, she moved to Yellow Springs, OH where she became a Chemical Dependency Counselor Assistant. She found great fulfillment in this work, as she was able to educate and connect with individuals through a lens of her own experiences.

She moved back to Modoc in 2014 to help care for father, and then to New Castle in 2015. Jenny loved Harley Davidson motorcycles, beautiful flowers, dressing up for selfies, going to the ocean, swimming, and rock-n-roll. Jenny's greatest love, however, were her 3 children, Justin, Jordan, and Jessica, and her 2 grandchildren. She was known fondly as 'Aunt Jenny' to many for her child-like soul, her endless affinity toward fun, and her ability to love fiercely, wholly, and unconditionally. She will be missed by us all. Rest in peace, Jenny-Pooh.

A memorial service will be held at 11:00 AM on Wednesday, December 15, at Culberson Funeral Home.

“ *Jenny---What do I say???? Im in complete shock, and torn hearing you are no longer on this earth, but you are in Heaven. a place you talked about often. You loved your God. We loved you Jen--you made people laugh and smile .I dont know who has a bigger, better smile than you have. You had a lot of misfortune in your life, but you handled it so well, and again , with your beautiful smile. I have 1 regret---We were planning on you coming to Michigan in the summer and stay with us, and go to Lake Michigan in St. Joe, go on the Carousel,from the old famous Silver Beach Amusement park The butterfly house, and just have fun. I can see you now--in heaven--running through the flowers and chasing butterflies. You are over the pain now and with those you love who have gone before you. We miss you and your special sweet voice. Til we meet again, LOVE love love you---Margie and Jack Hardy*
