“ *We are deeply saddened to hear of Jill’s passing and would like to extend our heartfelt condolences to your entire family.*

Jill’s kindness and selflessness left a lasting impression on our family. Even while facing her own health challenges, she made the effort to visit our son Zachary during his time at Frazier Rehab in Louisville. Her visits meant more than words can say—Zachary spoke warmly of their time together, and we will always be grateful for the comfort and care she showed him.

Jill’s quiet strength, compassion, and thoughtfulness will not be forgotten.

Please know that we are holding you in our hearts during this difficult time.

With deepest sympathy,

Mike and Sherry Eising
