“ I will always cherish the memories of the many Canadian fishing trips that John and the rest of us had over the years, swapping stories and playing Red Dog into the evening hours. He was a kind and good man who was a pleasure to share a boat ride with. My condolences to his family and friends.

“ Going to really miss this guy . I worked for several years for John ,and always looked forward to working with John. Before I could get my tractor off the trailer John and I were talking about Canada fishing trips, my Michigan trips, or John would be asking about my grand kids . We had a great relationship . He never complained about anything but you always knew if you had missed something or he would like for you to do something little that day . Just can not say enough how I will miss you John , mowing will not be the same . RIP. Bill Tinkle and family

“ When we moved next door to John & Mary Louise 49 years ago we had never had close neighbors and wasn't sure what to expect. In all of those years there was never an argument, a cross word only pleasant wonderful neighbors, John and Jerry went fishing, to IU basketball games, horse races together and spent many hours talking across the back your fence. When Jerry passed away a little over 14 years ago I got the pleasure of those talks over the back yard fence. We shared our families, vacations, good times and bad. We tried to solve all of the worlds problems as well as coaches a few IU games ourselves. John was such a pleasant man with a good sense of humor. I will miss him and our talks across the back yard fence. Rest in Peace Dear Friend
