

## Josie E. Wright

May 8, 1928 - February 24, 2025

Josie Elizabeth Hall Wright, and her wealth of home remedies, childrearing tips, cooking recipes, and old timey sayings, left from her home for Heaven on Monday, February 24, 2025. She was born in 1928 in her beloved Richmond, KY. Her husband Carl, parents, eight sisters, two brothers and a granddaughter preceded her in death.

Josie was always a mother first. She was known to have a full meal on the table each night, after standing on her feet all day, working at Perfect Circle Dana for over 20 years. She had many skills, some of which were being a boy scout leader, craft maker with grandkids, solid advice giver, and down-home cook, all done over coffee in her kitchen.

Her house was spic and span, and you could eat off the floor, and you wanted to, because everything she cooked was delicious.

Josie's children, David Scarrette (Janice), Brenda Wright, Debbie Hollenberg (Kent), will miss her "hello" when she answered the phone, among countless other things.

Her grandkids, Alexa Williams (Chris), Shane Scarrette (Tami), Shad Scarrette (Bre), Jeremy Scarrette (Ashley), Jade Edwards (Vernal), Evy Faulkenberg (Mike), Derek Hollenberg (Sarah), Dylan Hollenberg (Nadia) always knew not

to call when the Kentucky Wildcats were playing. Josie also had many great-grandchildren and great-great-grandchildren, all of whom had stockings at her home on Christmas. She also had many nieces and nephews who were like her own children.

Jamie Hernandez (Michael) and Zoey Scarrette (Ryan) were two of the great-grandchildren that spent much of their life at Granny's home. They will miss her advice, asked for or not!

One of Josie's favorite sayings was, "You get more flies with honey than with vinegar", and that is so true!

Visitation will be on Saturday, March 1, from 11:00AM to 1:00PM at Culberson Funeral Home. Services will follow at 1:00 PM. Burial will be in West Lawn Cemetery.

In lieu of flowers, donations may be made to your local school lunch fund.

“ There are so many memories to share. Visiting her and Uncle Carl at their house on Jones Rd, then the house in town. Momma telling us, "don't you ask for a thing when we get here" and then Aunt Jo asking us if we wanted pop and a cookie. (of course, we didn't turn it down). She was such an icon in my life and I loved her as much as my mother. See you on the other side and I will miss you terribly.
