“ *Joyce was the sweetest person you'd ever want to meet...She came in the beauty salon every week for years and I would shampoo and style her hair and had some great conversations...I still have an opal ring she gave me because it's my birth stone....My heart goes out to all of the family...🙏*

My beautiful Aunt Joyce was “one of a kind and we all loved her and will miss her so much. Lots of memories, fuzzy perms, horses, dog rescues, her love of everything Christmas and the most beautiful white hair that was kept meticulous all the time, never a hair out of place. Her flowers were always varied and every color of the rainbow. Sure gonna miss her 😭
