“ Tad, Robin, and the rest of Judy's family. I knew Judy for many years of my life. I remember seeing her when my mom Francis (Hazel) stayed with the kids while Judy worked. I then met up with her again when we both worked at the County Annex. It was always fun to catch up on family news and visit about our various activities. I'm sorry I won.t be able to attend her calling and funeral. Please know Judy was loved and appreciated by many of us. My thoughts and prayers are with you at this time.
