“ Judy was a wonderful woman. I enjoyed seeing her everytime I went to church. She always had kind words to say and checked up on me and my family when we saw each other. Her light shined so bright here on Earth and I hope each night her light shines bright in the sky, so God can share her light up there with us again. Judy you will be missed so much here, but I know we will meet again one day. God Bless you and your family and thank you for wonderful memories you leave me with. To the family of Judy, I'm so sorry for your loss, but Heaven has gained a wonderful angle...until we meet again.....,

“ I remember on several occasions talking with Mike about events in our lives that do not work out the way we want them to. Mike would always reaffirm to me that it is not always what we want but what God has planned and in the end, everything will be ok. I take great comfort in knowing that Mike is ok because he is in paradise. He is with God. Mike was a great friend. We will miss him dearly. Ramona, our thoughts and prayers are with you and the family. Tracy & Wendy Maddy,

“ I miss my dad dearly every day. He was a man who loved and served the Lord and we are blessed to know that he is living in the peace and glory that God has promised. His last days were spent glorifying good in the midst of suffering. Those who treated him referred to him as Job. Despite his afflictions he never lost sight of his faith and love of his heavenly father. I thank him for teaching me to lean on faith and believe and hope in things that are greater than our understanding. Love and miss you forever.,
