Judy and i grew up together and while we were cousins, were more like sisters. Hard to believe she's not here with me anymore. How I have loved her. She will always be a part of me.

“ *So loved the Video Tribute. She was a Great Lady and enjoyed all the years working together. I remember the time her and I went to Richmond to see a lady that was suppose to read our futures. Can you believe that? Oh, the laughs we had over that. She will be truly missed. Julia Bryant,*
