“ Kachina was my dear friend, her and Douglas meant the world 🌍 to me and Duane still do always will. When it is warm weather we are like peanut butter and jelly you never seen us 4 apart. It's going to be so had to get use to her not being with us. weve rented hotel 🏠 for us to celebrate one of our birthday or our anniversary we celebrated everything together. I Thought of her as a kid sister, we did everything together. I was grateful God gave me the time i had with Kachina, she was a beautiful person to be around. She fault with her demons at times but she had it won and then lost a different battle I'm confused. But that's a problem for me and God to deal with. (On our time) I love you girl
