“ Hello Jackie, Kathy and I are sending our love and prayers to you and the family with this condolence message. David and I had a long conversation not long ago and I knew it was going to be a battle for both of you. We had a big laugh over the tractor purchase. I am glad that I had that opportunity to see him one last time and give him a hug. Max,

“ Dear Jackie and family, Greg and I were so sorry to hear of Dave's passing. Dave was always good for a joke or a wonderful story. Dave, as well as you Jackie, always took time to ask about family. Our sons, their wives and grandsons, especially Drew. Drew was so tickled when he could finally master the thumbs up sign that Dave taught him. Although there are no words to ease your sorrow, our hearts feel your pain. May the good Lord hold Dave in the palm of His hand and keep him till you meet again. With much love and hugs,
