“ You were a wonderful ,and giving grandmother to me and great grandmother to my children. Always there to lend a hand or advice or to just listen. I will deeply miss our Sunday visits while the kids played with the toys in the closet. Cole will miss his grandma with the bird and Shayna her grandma with the toys. I will never forget all of our trips to KY to see great grandma. I sure miss Those days. But most of all I will just miss my granny Rest in peace and love always,

“ So sorry to hear of Laura's passing. My prayers to all of her family. I fondly remember when I started working at Dana, she was always there to help in anyway that she could. She was a special woman and will be missed. God Bless.,
