“ Rob it had been a long time since I saw you last. Guess a little longer now. But we will sit with our kids in front of our Lord Jesus. Everything will be right when we do. I remember you as a funny fella that looked to enjoy the moment. You also did a lot of thinking. At times I wondered what. Over the last year I had followed you quietly on FB and I hurt right along with you, especially after my son passed too. You WILL be missed here on this floating rock. We will go on as life dictates and when this is all done we will all have big group hug. You got some good company there Rob. Hug Joshua for me. He's the Marine that opened the gate for you. Until then.... Enjoy what God has prepared for us.,
