“ Our thoughts and prayers to Eleanor and the rest of the Lumpkin family at this time of Lee's passing. I grew up "next door" to Lee and Eleanor and remember Lee fondly. He will be missed not only by his family and friends, but by his neighbors and community.,

“ My thoughts are with you, Brian. You were a wonderful student to have in my Spanish and English classes. I watched the video tribute and your family had a lot of enjoyable moments together. My condolences to you, Eleanor, and may your family uphold you at this time. May the Holy Spirit's peace rest on all. “ *Leanore, although you and your family are missing and grieving your dad now, I hope that you will find comfort knowing that he will be visiting you often throughout your life in your thoughts and memories. You will celebrate his life every time you do something that he taught you, every time you see or hear something that he would have enjoyed, every time you catch yourself saying something he would have said, and every time you share good times with your family. Our parents are with us to the end of our own lives. My thoughts are with you and your family. Abrazos. Rise,*
