“ *Lena Beth was a very kind hearted person who always cared about other's first over her own needs. She was a very personable person who never met a stranger. I am grateful that my Grandpa, found her to marry after, my Grandma's passing to help give Grandpa companionship. The Lord has gained a good person up in Heaven.*

“ *Lena Beth's kindness and cheerful manner that was ever present is what I remember about her. She uplifted my Dad after my mother's passing. She was good for my Dad socially. She contributed to many good times traveling, Florida, card playing, church, and companionship.*

Thanks to Andrea, Lena Beth has been well cared for since my Dad's passing.

*Respectively,
Roger Lumpkin*

“ *I am so sad to hear of the loss of Lena Beth, who was married one time to my late Uncle Walt LaMar. My mother met my father through Lena Beth and my mother always thought the world of Lena Beth and I remember stopping by her house once in a while as a child when we used to take trips to the cemetery to oversee relative's graves. I always remember her warm infectious smile and the twinkle in her eye. I am so glad she found happiness later in life. She was a good person.*
