“ Oh Randy, I am so truly sorry. My grandma and grandpa (Lib & Charles Conwell) considered Buddy a dear friend and so did I. I so hope to get up there to see him. But I had been under the weather and unable too. Words can not express how crushed I was to here of his passing. He truly was dear man and one I had no doubt that I could rely on in a pinch. As my grandma and grandpa had. I am so glad that the 3 of them are together now. Good luck and God Bless.

“ *I loved clogging next to Mary. I will miss her so much! She had such a sweet, gentle personality and never said a harsh word about or to anyone. I always kidded her about clogging in 100 degree weather and she always looked as good at the end of the session as she did at the beginning! She was a beautiful woman and I do feel blessed to have known her for about 20 years or so.....,*
